

AGUSTA AW169 / HB-ZQZ

SEE FURTHER. GO ANYWHERE

The AW169 combines an elegant and stylish silhouette with class-leading technology to guarantee high performance and safety. The result is a unique helicopter that sets a new standard in its class and ensures passengers travel in the most relaxing environment possible.

The AW169 cabin can be arranged in a variety of luxurious configurations, ranging from a 5 to an 8-seat design. Thanks to excellent soundproofing and entertainment systems, passengers can enjoy a relaxing flight in a bright and extremely comfortable interior. The dual zone air-conditioning system makes it possible to manage the cockpit and cabin temperatures independently.
